To whom it may concern:

I am writing to you to demand that the South Park Stakeholders Group cease and desist from violating the Brown Act as described below and to request that, in order to avoid costly and unnecessary litigation, you respond per the Brown Act at California Government Code §54960.2 with an unconditional commitment to so cease and desist.¹

1 Background

1. Business improvement districts (“BIDs”) are assessment districts which are authorized and regulated by the Property and Business Improvement District Act of 1994 (“the PBID law”). The PBID law at Streets and Highways Code §36612 requires a city to contract with a non-profit corporation to administer each BID. Such a non-profit corporation is called an “owners’ association.”²

2. Having entered into Contract C-130654 with the City of Los Angeles in 2017 to administer the South Park BID (“SPBID”) the South Park Stakeholders Group (“SPSG”) is the owners’ association for that BID.

3. Owners’ associations in California are made subject to the Brown Act by the PBID law at §36612, which states:

   …an owners’ association shall comply with the Ralph M. Brown Act …at all times when matters within the subject matter of the district are heard, discussed, or deliberated.

4. Owners’ associations are defined in the Brown Act at §54952(c)(1)(A) to be “legislative bodies.” The definition there states in pertinent part:

   As used in this chapter, “legislative body” [includes] …A board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that …Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation, limited liability company, or other entity.

2 Violations of the Brown Act

2.1 April 26, 2018

2.1.1 The facts

5. On April 26, 2018 I arrived at the SPBID’s office at 1100 S. Flower Street in Los Angeles to attend a meeting of the SPSG board of directors. I was told by the security guard in the lobby that I was required to sign my name on a sign-in sheet before I would be allowed upstairs to attend the meeting.

6. I asked him a number of times if he could call up to the BID office to check if it were really true that I was required to sign in in order to attend the meeting. He would not do so.

7. Paul Keller, a member of the SPSG board of directors, also told me at this time that I was required to sign the sheet before I could attend the meeting.

2.1.2 The law

8. The Brown Act at §54953.3 states:

A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

2.1.3 Conclusion

9. On April 26, 2018 the SPSG violated the Brown Act at §54953.3 by holding a meeting in a facility which required people to sign in as a condition to attendance at the meeting.

2.2 November 2, 2018

2.2.1 The facts

10. On November 2, 2018 at 8:00 a.m. PDT, SPBID executive director Ellen Riotto wrote to all members of the SPSG board of directors, stating in part:

...there is one agenda item that requires an immediate decision. As you all know, we went out to bid on our clean and safe services for next year and 2020. We received 7 proposals and conducted 5 interviews, and after a rigorous application and interview process, the Selection Committee recommends contracting with Block By Block for both services. Both their application and interview were the most South Park-specific of all proposals we received....
I was hoping to be able to provide more context as to how the Selection Committee arrived at this decision in person, but I’m happy to do so individually if you’d like to learn more. If not, please REPLY TO THIS EMAIL using the template below:

This email documents my vote FOR/AGAINST moving forward with contract negotiations with Block By Block for both clean and safe services for 2019 and 2020.

11. Between November 2, 2018 at 8:09 a.m. and November 5, 2018 at 4:43 p.m. at least eleven members of the SPSG board of directors replied to this email with their votes on the question of whether to move forward with these contract negotiations. See Exhibit 5.1 on page 7 for copies of these eleven emails.

2.2.2 The law

12. The Brown Act at §54952.2(b)(1) states:

A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

2.2.3 Conclusion

13. In November 2018 the Board of Directors of the SPSG violated the Brown Act at §54952.2(b)(1) by using a series of communications to take action on an item of business that was within its subject matter jurisdiction.

2.3 The Executive Committee

2.3.1 The facts

14. Article X, Section 1 of the Bylaws of the SPSG establish an Executive Committee (“EC”), which is granted all the power and authority of the SPSG board of directors, with a few enumerated exceptions. See Exhibit 5.2 on page 19.

15. The EC meets from time to time. For instance, it appears that it met on August 2, 2018. Its members presently appear to be Daniel Taban, Robin Bieker, Bob Buente, and Channing Henry. See Exhibit 5.3 on page 22.

16. It appears that meetings of the EC are not announced publicly, nor are agendas posted in public.

17. On April 30, 2018 the EC exchanged a number of emails discussing a raise for SPBID staff member Wallis Locke and ultimately voted by email to give her a raise. See Exhibit 5.4 on page 24.
On or before August 9, 2018 the EC changed the SPSG’s “personal time off” (“PTO”) policy for employees. See Exhibit 5.5 on page 32.

### 2.3.2 The law

19. The Brown Act at §54952(b) states that:

   As used in this chapter, legislative body means: . . .

   A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.

20. The Brown Act at §54952.2(b)(1) states:

   A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

21. The Brown Act at §54953(a) states:

   All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

22. The Brown Act at §54954.2(a) states:

   At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session.

### 2.3.3 Conclusions

23. The EC is a legislative body within the meaning of the Brown Act at §54952(b) as it is a committee which is not advisory and which was created by formal action of the Board of Directors, the formal action being the adoption of the bylaws which mandate the existence of the EC and delineate its powers.
24. The EC violates the Brown Act at §54953(a) whenever it meets in private without the public being able to attend.

25. It appears from the evidence that the EC violates this code section on a regular basis. Irrespective of that, though, the EC did violate the Brown Act at §54953(a) on August 2, 2018 by holding a meeting that the public was not permitted to attend.

26. The EC violates the Brown Act at §54954.2(a) whenever it meets without having publicly posted an agenda containing a description of each item of business to be transacted or discussed.

27. It appears from the evidence that the EC violates this code section on a regular basis. Irrespective of that, though, the EC did violate the Brown Act at §54954.2(a) on August 2, 2018 by failing to post an agenda describing the business to be transacted or discussed.

28. The EC violates the Brown Act at §54952.2(b)(1) whenever it uses a series of communications to discuss, deliberate, or act on an item of business that is within its subject matter jurisdiction.

29. It appears from the evidence that the EC violates this code section on a regular basis. Irrespective of that, though, the EC did violate the Brown Act at §54952.2(b)(1) on April 30, 2018 when it discussed, deliberated, and acted on the question of a raise for BID employee Wallis Locke.

30. These violations are not just incidental, technical, nor harmless. Rather, they implicate fundamental constitutional rights that the people of California have reserved to themselves. The Brown Act at §54950 states:

   In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people’s business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

   The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

31. By holding meetings in a facility entry to which is conditioned on signing in the SPSG deprives citizens of the fundamental constitutional right to participate anonymously in public meetings and to make anonymous public comments on the proceedings.
32. By discussing, deliberating on, and taking action on the people’s business in secret via email the SPSG Board of Directors has deprived the public of the opportunity to be present when public business is discussed, to observe the actions of its decision makers, and to attempt to influence those actions via public comment or other forms of political action.

33. By creating a committee, the EC, which meets in secret, whose meetings the public is not allowed to attend, which does not publicly post agendas describing the business it conducts, and which discusses, deliberates over, and acts on matters of great public import, the SPSG has deprived the public of their absolute right to be present during discussions of public business, to witness and understand the means by which these decisions are made, and to discuss and influence these decisions via political action in all its varied and glorious kinds.

4 Demand for relief

34. The SPSG’s multiple failures to comply with the requirements of the Brown Act constitute a grave betrayal of both fundamental and consequential principles of our government. It is therefore in the best interest of all concerned that the BID not only cease and desist from such violations in the future but that they make a public commitment to ceasing and desisting.

35. If the SPSG responds to this demand within 30 days of today’s date with a letter expressing an unconditional commitment to cease and desist from all future violations of this type in substantially the form given by the Brown Act at §54960.2(c) I will consider this matter at an end. Hi Board members,

Unfortunately we did not make quorum at yesterday’s meeting, so we were unable to vote on our agenda items. Due to the stringency of the Brown Act, conducting this business by phone will be challenging from a logistical standpoint (call-in locations are required to be identified and open to the public 72 hours in advance of the meeting). So, we will have to find a time between now and the end of the year to reconvene and vote. My suggestion is to do it just prior to the annual meeting, December 6th. LA Auto Show is generously hosting the Annual Meeting this year at the Convention Center. The proposed schedule is

4:30 - 5:30pm registration and LA Auto Show Floor open
5:30 – 6pm self-serve dinner buffet
6-6:30pm BID report out (guests can eat dinner)
6:30 – 7:40pm breakouts
7:40-8:15pm networking

I propose we convene at 4pm, take the votes, and head into the show floor. Thoughts on this?

In the meantime, there is one agenda item that requires an immediate decision. As you all know, we went out to bid on our clean and safe services for next year and 2020. I was hoping to be able to provide more context as to how the Selection Committee arrived at this decision in person, but I’m happy to do so individually if you’d like to learn more. If not, please REPLY TO THIS EMAIL using the template below:

Subject: Re: 11/1 SPBID BOD - Board Packet

Hi Board members,

Unfortunately we did not make quorum at yesterday’s meeting, so we were unable to vote on our agenda items. Due to the stringency of the Brown Act, conducting this business by phone will be challenging from a logistical standpoint (call-in locations are required to be identified and open to the public 72 hours in advance of the meeting). So, we will have to find a time between now and the end of the year to reconvene and vote. My suggestion is to do it just prior to the annual meeting, December 6th. LA Auto Show is generously hosting the Annual Meeting this year at the Convention Center. The proposed schedule is:

4:30 - 5:30 pm registration and LA Auto Show Floor open
5:30 - 6pm self-serve dinner buffet
6:00-6:30 pm BID report out (guests can eat dinner)
6:30 - 7:40pm breakouts
7:40-8:15pm networking

I propose we convene at 4pm, take the votes, and head into the show floor. Thoughts on this?

In the meantime, there is one agenda item that requires an immediate decision. As you all know, we went out to bid on our clean and safe services for next year and 2020. We received 7 proposals and conducted 5 interviews, and after a rigorous application and interview process, the Selection Committee recommends contracting with Block By Block for both services. Both their application and interview were the most South Park-specific of all proposals we received. Every reference I checked (none of which were included in their proposal) raved about the quality of their work, their customer service experience, and their ability and willingness to try innovative approaches to providing services (we’re excited to see a “power washer bicycle” which will allow ambassadors to service those hard-to-reach areas in the district).

I was hoping to be able to provide more context as to how the Selection Committee arrived at this decision in person, but I’m happy to do so individually if you’d like to learn more. If not, please REPLY TO THIS EMAIL using the template below:

5.4 EC Discussion of a raise for Wallis Locke on April 30, 2018
All,

As you know, Wallis had a somewhat rocky start at the BID. We extended her Introduction period by 1 month, and at her 12 month mark, her performance did not warrant a raise, as is customary at an employee’s anniversary. Having said all that, she’s really come a long way. After our somewhat difficult annual review back in November, she stepped up her game in ways that I frankly didn’t think she was capable of. Since then, she’s been much more proactive about her work products, infused a new kind of creativity into projects, and is generally more enthusiastic and positive, which goes a long way in terms of culture in the office. To that end, as May 10th marks her 1.5 year anniversary at the BID, I’d like to give Wallis a 5% raise, bringing her salary up to $68,250 (most annual raises are between 3 and 4%, but per our conversation regarding the BID’s history of underpaying employees, my recommendation is that we use this as an opportunity to establish a new status quo).

Thoughts on this?

Thanks,

Ellen

6 months. I her to be in sync with her start-date as much as possible. I’m thinking her next raise can be a smaller increment - up to $70 which would be ~$7.5% increase over a 2 year period.

Let’s discuss the rent and location situation at the next meeting. Unfortunate to have so few good options.
